RESPONSE TO FINAL OFFICE ACTION

Commissioner for Patents
P.O. Box 1450
Alexandria, VA 22313-1450

Dear Sir:

This paper is submitted in response to the Final Office Action dated July 16, 2004 in which the Examiner rejected claims 1-62 as anticipated (35 U.S.C. §102) or obvious (35 U.S.C. §103) in view of prior art. On September 14th, the new Examiner in the case and the attorney for Applicants held a phone interview discussing the rejection. Although no agreement was reached, the Examiner requested Applicants to submit the arguments presented during the phone interview for the Examiner to reconsider. Applicants submit that all pending claims are patentable over the cited art and in condition for allowance for the reasons discussed herein.

Remarks/Arguments begin on page 2.
